

5 Star Learning is....

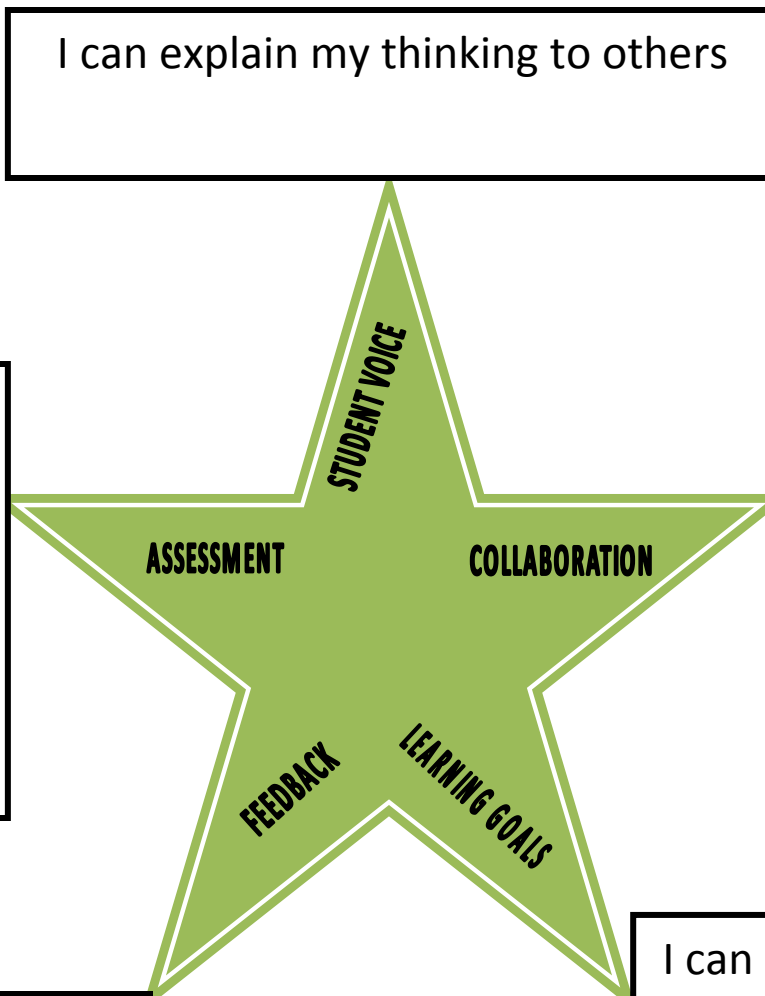

I can explain my thinking to others

I can use success criteria to evaluate my own work and the work of others

I can collaborate with others in my classroom eg: during warm ups, turn and talk

I can ask for and give feedback based on success criteria

I can explain my learning goals and the strategies I need to achieve them

Where am I going?
How am I going?
Where to next?

PLEASE TAKE THE TIME TO TALK TO YOUR CHILD ABOUT 5 STAR LEARNING AND HELP US TO REINFORCE THIS WHOLE SCHOOL APPROACH TO DEVELOPING VISIBLE LEARNERS.
