**After School Care arrangements for 2017.**

University Park PS has partnered with Camp Australia to provide a high quality After School Care program for our children. This program embraces the school's values and builds on your child's educational experiences and individual interests.

If you require care please visit [www.campastralia.com.au](http://www.campastralia.com.au), enter University Park PS in the school finder and register your child/ren.

**No rubbish/wrappers policy.**

In 2017, with the creation of an additional eating area at the front of the school, UPPS is implementing a no rubbish/no wrapper policy. This involves children unwrapping their food before they go outside to play to minimise the rubbish in the yard. Parents may assist the school by packing lunchboxes without using wrappers such as gladwrap, drink boxes or snaplock bags if/when possible.

Regards
